Hello and welcome to Hearts to Homes!

We want to be one of the first people to say congratulations on your new apartment! This is a new chapter in your life and one of the first steps you will take as an independent adult. We know that there are probably a million things going through your mind right now, including excitement, as you transition into your apartment. You might also be wondering, "How can I turn my apartment into a home if I don't have the funds to purchase basic living essentials?" That is where we step in.

At Hearts to Homes, our mission is to assist newly independent young adults who have just aged out of foster care by providing the essentials to furnish a new home. The Wish List, which is part of this package, allows you to select many of the items you may need. The furnishings we provide ensure that you have a functioning kitchen, bedroom, bathroom, and living room. After you complete your Wish List, we will place orders for the items. **Any furniture you select will be delivered directly to you, and any of the other items will be delivered to your agency for final delivery to your new home.** All items you select from the Wish List are brand new and completely yours.

Our goal is to help you feel comfortable in your new home with all the basics you may need. There are a couple of things that we will ask from you in return.

- Please complete and sign the agreement on the following page.
- After you have received your items, a Hearts to Homes volunteer will contact you by text to ask you to complete our survey about your experience. Your feedback is very important to us.
- If you provide us with your email address, you will be placed on our alumni email list serve. We won't drive you crazy with emails, but we will send you information that comes to us about opportunities that you may be interested in. You can opt out at any time, but we look forward to remaining connected to each other even after you receive all of the furnishings.

We hope that this letter introduces you to who we are, the service we will be providing to you, and our wish to see you succeed. In order to learn a bit more about you, we will be asking you a few questions on our Hearts to Homes questionnaire. Share what you are comfortable with. Follow us on social media @hearts_to_homes (Instagram/ Twitter) and check out our website (heartstohomes.org) to learn more about who we are.

Welcome to the Hearts to Homes family!

Sincerely,

Mary Theresa McCombe

Hearts to Homes Recipient Agreement

Once a year, we will ask your agency to get in touch with you to see how you are doing. They will most likely reach out to you in November or December each year. Please note that our ability to help someone else in the future depends on your answer to a few simple questions at the end of each year. Responding to the few questions that you will be asked should take no more than a few minutes of your time.
